Lessons are invoiced per term, Approx. 10 weeks. Payment is in advance. And should be paid within **1 week from start of lessons.** School and public holidays are deducted. Any lessons missed by the student must still be paid for. Make up lessons may be provided if able , but due to the structure of group classes this is not guaranteed. Lessons missed by the Teacher will be credited back the following term, or made up as able. School excursions , curriculum days etc. are worked around as advised by the school.

**Lessons, are held in the projection room below Mr Jacksons office** and are held during school time. with respect to Staff requests re: specialist programs, (art etc.) With this in mind, lessons may go into part of Lunch or recess time, or may cross into art , music , P.E. times if necessary to avoid core subjects.

Books are added to invoice as required. Photocopies of complete works are illegal and may not be used in class. Music books and an exercise book should be brought to lessons each week. This book will keep you updated as to your childs progress and give a clear practice requirement. It is expected that your child will practice on a regular basis.

A keyboard / piano / is needed to practice on, I can provide advice on these. They will fall behind without the practice. Exams by AMEB & ANZCA are optional. Parents are welcome to sit in on lessons if they are able to do so.
